# Fee Garage to SPEA

*To get to this garage via GPS, use the intersection "Eleventh Street and Fee Street."*

Get to Level 4 in the garage. Go through the glass doors and walk down the stairs. (If you park on a different level, take the elevator to B2.)

« Go through the wood doors into Kelley's Graduate & Executive Education Center.

Turn right, go to end of the hall and turn left at this piece of art. »

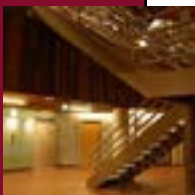

« Go to the end of this hall—it crosses over the street—and into Hodge Hall.

« Turn left at these glass doors and walk until you reach the elevators and stairs. Go to the first floor. Turn right if you took the stairs, left if you took the elevator. (Or, you can go out the doors and across the plaza into the second floor of SPEA.)

« If you continue inside, take this ramp to your left. Go through the double doors into SPEA.

« Go to the end of the hall and take the elevator (on your left) or the stairs (on your right) to your destination.

If your destination is in the O'Neill Center, you will need to go to the second floor of SPEA, then continue straight until the tile floor turns to terazzo. From there, you can access floors one to three of the O'Neill Center.
